

Different abilities

Agnes Mabururu
English

One day I met Agnes.
Agnes is a teacher.

Agnes uses crutches to walk.

When I went to town, I saw
Metobo.

He is a radio DJ.

Metobo has albinism.

He has problems with his eyes and with his skin.

My neighbour is Mora.

She is a farmer.

Moraa has a problem with hearing.

She speaks using Sign language.

Osero is the best soccer player in my school.

I like to watch him play.

Osero lost his hands in an accident.

However, he scores many goals for his team!

My sister Jackie plays sports.

She is stronger than my brother!

I know that people with disabilities can do anything.

Every person has different abilities.

We are all the same.

We work, play and have fun!
