WW2 Movies: D-Day

One in a series of five movies that tell the stories of those caught up in the maelstrom of World War Two.

Movies: Dunkirk, Bombers and the Bombed, Evacuees, Secret Army, D-Day

It was the greatest amphibious invasion in the history of warfare and the risks were immense. The consequences of failure were unthinkable - a bloodbath on the beaches and the continued domination of Nazi Germany in the West.
