Solutions to 1st-Semester SAC Physics Problems

Each zip file contains one to nine solution files. Each solution file contains the solution to one SAC Physics Problem. The solutions come in three different file types:

- gif files: Scanned images of pencil-on-paper solutions.
- pdf files: You need Acrobat Reader to view these.
- mp4 files: You need a video player, such as VLC, for these.

The solutions are also available on YouTube.
